AND
COMPANY/CONTRACTOR NAME

This GOODS AND SERVICES AGREEMENT ("Agreement") is entered into and effective [DATE], by and between [COMPANY/CONTRACTOR NAME] ("Contractor"), [LEGAL DEFINITION INSERTED HERE], located at [ADDRESS], and Southern California Public Power Authority ("SCPPA"), a joint powers agency created pursuant to the laws of the State of California, with offices at 1160 Nicole Court, Glendora, California 91740. SCPPA and Contractor are also referred individually as ("Party") and together as ("Parties").

WHEREAS, certain SCPPA and its Member utilities ("Members") have a need for specific goods and/or services relating to electric vehicle charging and improving electric utility programs and operations; and

WHEREAS, Contractor is qualified and capable of providing such goods and services;

NOW, THEREFORE, in consideration of the promises herein and for other good and valuable consideration, the parties agree as follows:

- 1. Work to be Provided:** SCPPA engages the Contractor to provide goods and/or services ("Work"), as further described in Exhibit A and/or the specific Task Orders, including a description of the Work to be provided, the period or schedule for delivery of said Work, and payment terms for all Work. Contractor will perform Work at the direction of SCPPA and/or Members, on behalf of SCPPA. Upon reasonable notice to Contractor, SCPPA and/or Members shall have the right during the performance of the Work to inspect the site, subject in all cases to all applicable rules, policies and regulations related to safety, as well as state and local building code and ordinance compliance, including Contractor's and its subcontractors' reasonable safety precautions, provided that such inspection and presence does not unreasonably interfere with or delay the completion of the Work and Contractor's performance of its other obligations under this Agreement. All applicable Work will be required to conform to prevailing wage rates applicable to the location(s) where the Work is performed. Workers shall be paid not less than prevailing wages pursuant to determinations of the Director of Industrial Relations as may be applicable, in accordance with the California Labor Code. Contractor will be required to maintain records of all prevailing wage payments for a minimum of three (3) years from the completion of Work.
- 2. Independent Contractor:** Contractor is an independent contractor, is not an employee of SCPPA or any SCPPA Member and shall not be entitled to any benefits or rights, including, but not limited to, sick leave, vacation leave, holiday pay, worker's compensation or other insurance benefits. Contractor shall furnish the work in its own manner and method except as required by this Agreement. Contractor shall have no authority, express or implied, to act on behalf of or bind SCPPA or the Members in any capacity whatsoever as agents or otherwise. Contractor may use the services of independent contractors and subcontractors to perform a portion of its obligations under this Agreement. Contractor shall have an affirmative duty to assure that said independent

contractors and subcontractors comply with the terms of this Agreement as appropriate for their respective scope(s) of work. Contractor shall be the responsible party with respect to all actions of its independent contractors and subcontractors. Subcontractors must be properly licensed to perform the Work. No contractual relationship will exist between SCPPA and any subcontractor with respect to the Work. Notwithstanding the foregoing, Contractor shall be solely responsible for (i) completion of the Work and any other of Contractor's or subcontractor's obligations hereunder, (ii) the acts, omissions, or defaults of the subcontractors and their employees, and (iii) the engagement, management, and payment of the subcontractors. Nothing contained herein will obligate SCPPA to pay any subcontractor and Contractor shall be solely responsible for paying each subcontractor to whom any amount is due from Contractor in connection with the Work. Contractor shall cause its subcontractors to maintain insurance coverage consistent with usual and customary practices in their respective industries.

- 3. Standard of Care:** The Contractor will perform Work under this Agreement with the degree of skill and diligence normally practiced in the same industry by contractors performing the same or similar work. Contractor's time spent at SCPPA, Member, or project location premises shall be subject to normal business hours and security requirements, unless agreed upon in writing by all Parties.
- 4. Changes/Amendments:** This Agreement may not be changed except by written amendment signed by both Parties. Contractor shall promptly notify SCPPA within five (5) business days if changes to the Work Scope affect the schedule, level of effort or payment to Contractor. If Contractor determines that changes should be made to Exhibit A and/or the specific Task Order, the Contractor will notify SCPPA of such proposed changes in writing, including the effects on the schedule, level of effort and payment for such changes. Thereafter, Contractor and SCPPA shall agree in writing on which changes, if any, shall be made, including a description of the changes to Work to be provided, the period or schedule for delivery of said Work, and payment terms for all Work. If Contractor is delayed in performing the Work by any force majeure, including any act of war, delays in transportation, strikes or other labor disturbances, acts or omissions of a) any government authority, b) SCPPA, c) Member, or d) their respective contractors or suppliers, or other circumstance beyond Contractor's reasonable control, then Contractor shall not be considered to be in default of the performance of its obligations under this Agreement and the schedule for Contractor's performance shall be extended by the amount of time lost by reason of the event(s), plus such additional time as may be needed to overcome the effect of the event. If acts or omissions of SCPPA and/or a Member, or their respective contractors or suppliers cause the delay, Contractor shall also be entitled to an equitable price adjustment in accordance with this Section.
- 5. Payment:** SCPPA shall pay Contractor for Services in accordance with the terms and payment schedule set forth in the Exhibit A and/or the specific Task Order. Each invoice shall include the following:
